SUBJECT:

Fiscal Guidance

1. I had a conference with McIntyre, Jayne, Cutter, Brzezinski and Aaron Friday afternoon. The subject was our fiscal guidance. I would appreciate if you would see if in the files we have a copy of that newsletter. But don't make a hig deal out of it.and then see if his name is mentioned in it if you can find it.

I also have had a small pamphlet about the size of those Oxford address pamphlets that I gave you on Exeter College. I can't seem to find it at home. I don't think that I've given it to you. The Oxford - the gray - ones I've given you have only Americans in them, however. You might though check and see if we have a beige-colored one for Exeter.

MEMORANDUM FOR:

Deputy Executive Secretary

FROM:

Director of Central Intelligence

Some time ago I asked to have a personal note written to each of the secretaries who met with me in a panel and recommended that a Secretarial MAG be formed, as well as a Secretarial Career Service. I wanted to let them know that we had formed or were forming the MAG. I haven't seen the results of that.
